## Pearson Assured

Pearson Assured (formerly Edexcel Assured) benchmarks organisations' internally developed education or training programmes against rigorous quality criteria provided by Pearson.

The organisation's education or training programme is audited against these quality criteria prior to approval, and on an on-going basis, to ensure standards are maintained.

The education or training programme is owned by the organisation identified in writing on the front of this certificate. This is not a Pearson qualification.

This certificate has been issued to the identified individual to recognise the completion of the organisation's Pearson Assured education or training programme as described on the front of the certificate.

### Conditions of use

This certificate is and remains the property of Pearson at all times and is issued on the following conditions:

- a) any alteration to this certificate renders it invalid
- b) this certificate must be returned to Pearson on request.

Use of an altered certificate could constitute a criminal offence.
